

So I Turn

by Bryce Anderson

VERSE 1

F# (C# D) D#m
One thing I desire
Is to know You more
Just to sit with You
And worship in Your courts

VERSE 2

Lord help me be still
That I may hear Your voice
And know You are my God
In this I do rejoice

CHORUS

F# C# B
So I turn today to hear where the sound is coming from
D#m C# B B/A# B
The sound of Your voice, Singing my name, Calling to me

BRIDGE

G#m F# B B/A# B
How does Your voice not get tired from screaming that You love me? -

G#m F#
You yell it in the world, declare it by the trees
D#m C#
You send it through the hills and shouting o'er the seas -

G#m F#
You scream it all the while that I do not see
B B/A# B B/A# B B/A# B C#
But You never stop screaming, that You love me, that You love me, that You love me
